- The decision has been made by the Board to revert back to the 2008 Rules and Regulations which state the tenants may not have pets. Copies of leases that are currently in place before August 27th will be grandfathered for short terms and leases that are renewed for long terms. Owners are requested to remove all reference to pet friendly in their ads for short and long terms.
- Send John Dunn a copy of Sheri's letter with a note on the changes in the Rules and Regulations and to please give Steve MacDonald a call. Let John know that the Board intends to send a letter to all owners requesting copies of leases with dogs be provided to the Board and Management by September 15th.
- Meeting adjourned at 5 p.m.
